---

The content of this course is divided into 10 lessons with a midterm and final exam.

The midterm should be taken after completing Lesson 5.

The final should be taken after completing Lesson 10.

Please submit your lessons in a Word Document (or Wordperfect). Your name and lesson number should be placed in the header of the document. You will not receive a corrected paper, but you will be contacted by the professor if there were any major problems that you need to address.

Each test is composed of 2 sections: a multiple choice section and a writing section.

Your writing will be graded on both content and grammar/vocabulary/mechanics.

Your lessons will count 33.3%.

Your midterm will count 33.3%

Your final exam will count 33.3%

Grading Scale:

90-100	A
80-89	B
70-79	C
60-69	D
Below 60	F
