The content of this course is divided into 10 lessons with a midterm and final exam.
The midterm should be taken after completing Lesson 5.
The final should be taken after completing Lesson 10.

Please submit you lessons in a Word Document (or Wordperfect). Your name and lesson number should be placed in the header of the document. You will not receive a corrected paper, but you will be contacted by the professor if there were any major problems that you need to address.

Each test is composed of 3 sections: Fill in the blank vocabulary/grammar activities; a multiple choice section based on the cultural readings, and a writing section.
Your writing will be graded on both content and grammar/vocabulary/mechanics.

Your lessons will count 33.3%.
Your midterm will count 33.3%
You final exam will count 33.3%
